

# Pharmaceutical Marketing has **NO BUSINESS** IN PUBLIC SCHOOLS!

The Public School system of Pennsylvania has welcomed the agendas of the Pharmaceutical industry into the halls of our taxpayer-funded schools, in spite of the disapproval of stakeholders. The mission, vision, and purview of the Department of Education, is over education alone.

**WE DEMAND AN IMMEDIATE HALT TO THE MISUSE OF OUR SCHOOL SYSTEM BY OUTSIDE AGENCIES.**

With over 9,000 reported COVID-19 vaccine injuries in children<sup>1</sup>, authorities are taking steps to stop medical marketing to minors.<sup>2</sup>
