

RESOURCES FOR COVID 19 INFORMATION AND TREATMENT

FLCC ALLIANCE - FRONTLINE CV19 CRITICAL CARE ALLIANCE - an organization of practicing physicians with global partners who share their protocols, as well as numerous studies, meta analysis, articles and the latest information across our nation and the world. They are fighting to get lifesaving treatments to patients, yet the CDC, NIH, and WHO are blatantly ignoring their results. Website: covid19criticalcare.com

AFLDS - AMERICA'S FRONTLINE DOCTORS - The founder, Dr. Simone Gold, MD is both a physician and an attorney and is joined by many colleagues, both in the medical and legal fields. They are working collectively to debunk the myths and empower citizens to receive evidence based medical treatment and protect the legal rights of those being forced into vaccination by mandates throughout our country. They list numerous articles, the latest news and their fight to advance healthcare policy that protects physician-patient treatment without government control. They have a Legal Eagle Dream Team who are willing to help those in need. Website: americasfrontlinedoctors.org

SENATOR RAND PAUL - has been very vocal about his views and recently shared that "we are at a moment of truth and crossroads. Will we allow these people to use fear and propaganda to do further harm to our society, economy and children? Or will we stand together and say absolutely not. Not this time. I choose freedom." We should listen to his speeches and write to our senators and insist that they stand up for our rights and remind them who elected them to office. Website: www.paul.senate.gov

DR. VLADIMIR ZELENKI MD - a world renowned physician who has been nominated for the Nobel Peace Prize; his efforts are dedicated to implementing and teaching other physicians his treatment therapies for CV19. He provided counsel to the White House personnel, multiple governments, hospitals, physicians and public figures. He is published in peer reviewed medical journals and collaborates globally in the fight to save lives from this virus. He is vocal about his views on government suppression and is instrumental in researching the latest data across the world. He is not afraid to speak the truth about the vaccine which he views as poison and a form of mass genocide. He shares his protocols readily. Website: vladimirzelenkomd.com

DR. PETER MCCULLOUGH MD - is an internist, cardiologist, epidemiologist and Professor of Medicine at Texas Christian University and the University of North Health Sciences Center School of Medicine. Since CV19 hit the scene he has dedicated himself to implementing and sharing early treatment therapies to battle the virus. He is very outspoken about the dangers and efficacy of the vaccine and about the nonsensical approach to keep patients w CV at home with no treatment until they are very sick and unable to breath. He testified before the Texas Senate Committee in January of 2020, advising that patients should be treated as soon as symptoms present themselves. He has worked with leaders all over the world and across our country. He acknowledges that the CDC, WHO and NIH have failed to acknowledge and advocate for early treatment strategies. There is no website listed but there are many articles available to read about his work.

ASSOCIATION OF AMERICAN PHYSICIANS AND SURGEONS (AAPS) - a nonprofit group of physicians that is a voice for private physicians. They declare that all human beings have the right to liberty which is not forfeited when they serve the sick or disabled. The ethical commitment to protect patients does not require workers to surrender their bodily integrity and self-determination and accept an "intervention dictated by a government or a quasi-governmental authority." They list evidence based protocols, information on vaccine mandates and the work being done to support free choice. Read their thoughts - this is a group of medical professionals who collectively share a wealth of information and question the safety of this EUA vaccine that has not been studied and has not even been approved by the FDA.
